

WAGNER COLLEGE

BE PART OF THE CITY

Academic and Cultural Enrichment Spring Application

ACE offers the Wagner College Community, as well as the broader Staten Island and New York City communities, a diverse array of lectures, symposia, workshops, performances and concerts in various intellectual and creative arenas. Designed to expand the classroom experience, ACE has become a forum in which faculty, students, visiting scholars, activists and artists engage the Wagner community in a public conversation. Students, scholars, and the general public are invited to discover common ground across disciplines, thereby cultivating a greater appreciation for a diverse world
