

# 2019–2020 Verification Worksheet

## Independent Student – V5

Your 2019–2020 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. To verify that you provided correct information, the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed.

### C. Independent Student's Income Information to Be Verified

1. **TAX RETURN FILERS**— Complete the section below only if you, the student, (and, if married, your spouse), filed or will file a 2017 income tax return with the IRS.

The best way to verify income is by using the IRS Data Retrieval Tool that is part of FAFSA on the Web. For instructions on how to use the IRS Data Retrieval Tool or request a Tax Return Transcript, please see the last page. Please note that the school cannot complete the verification until the IRS information has been received.

**Check the box that applies:**

- I, the student, have used the IRS Data Retrieval Tool in FAFSA on the Web to transfer my (and, if married, my spouse's) 2017 IRS income information into my FAFSA, either on the initial FAFSA or when making a correction to the FAFSA.
- I, the student, have not yet used the IRS Data Retrieval Tool, but I will use the tool to transfer my (and, if married, my spouse's) 2017 IRS income information into my FAFSA once I have filed my 2017 IRS tax return.
- I, the student, am unable or choose not to use the IRS Data Retrieval Tool in FAFSA on the Web, and I will submit to the school **2017 IRS tax return transcript(s)**—not photocopies of the income tax return.
  - Check here if an IRS tax return transcript(s) is attached to this worksheet.
  - Check here if IRS tax return transcript(s) will be submitted to your school later. Verification cannot be completed until the IRS tax return transcript(s) has been submitted to your school.

- **Important Note:** If you (or your spouse, if married) filed, or will file, an amended 2017 IRS tax return, you must submit a signed copy of the 2017 IRS Form 1040X, "Amended U.S. Individual Income Tax Return," that was filed with the IRS.

2. **TAX RETURN NONFILERS**— Complete the section below only if you, the student (and, if married, your spouse), will not file and are not required to file a 2017 income tax return with the IRS.

**Check the box that applies:**

- The student (and, if married, the student's spouse) was not employed and had no income earned from work in 2017.
- The student (and/or the student's spouse, if married) did not file taxes but was employed in 2017 and has listed below the names of all employers, the amount earned from each employer in 2017, and whether an IRS W-2 form is attached. Attach copies of all 2017 W-2 forms issued to you (and, if married, to your spouse) by employers. *List every employer even if the employer did not issue an IRS W-2 form. If more space is needed, attach a separate page with your name and ID number at the top.*

Employer's Name	2017 Amount Earned	IRS W-2 Attached?
<i>Suzy's Auto Body Shop (example)</i>	<i>\$2,000.00</i>	<i>Yes</i>

You must also provide documentation from the IRS or other relevant tax authority dated on or after October 1, 2018 that indicates a 2017 IRS income tax return was **not filed** with the IRS or other relevant tax authority.

- \_\_\_ Check here if confirmation of nonfiling is provided.
- \_\_\_ Check here if confirmation of nonfiling will be provided later.

- For students who completed secondary education in a foreign country, a copy of the "secondary school leaving certificate" or other similar document.
- A copy of the student's final official high school transcript that shows the date when the diploma was awarded.
- A State certificate or transcript received by a student after the student passed a State-authorized examination that the State recognizes as the equivalent of a high school diploma (GED test, HiSET, TASC, or other State-authorized examination).
- An academic transcript that indicates the student successfully completed at least a two-year program that is acceptable for full credit toward a bachelor's degree.
- For a student who was homeschooled in a State where State law requires the student to obtain a secondary school completion credential for homeschooling (other than a high school diploma or its recognized equivalent), a copy of that credential.
- For a student who was homeschooled in a State where State law does not require the student to obtain a secondary school completion credential for homeschooling (other than a high school diploma or its recognized equivalent), a transcript, or the equivalent, signed by the student's parent or guardian, that lists the secondary school courses the student completed and includes a statement that the student successfully completed a secondary school education in a homeschool setting.

## Instructions for Providing Tax Data for Verification:

There are two ways that families can elect to provide their tax information for the purposes of Verification. If you are eligible to do so, the preferred method is to use the **IRS Data Retrieval Tool**. This tool links the information on your tax return to the FAFSA. Please note that if you recently filed your taxes or if you currently have an unpaid balance with the IRS, the retrieval tool may not be available to you.

Alternatively, families who are unable to use the Data Retrieval Tool may **contact the IRS to order a Tax Return Transcript**. You can request the transcript online, over the phone, or in person at your local IRS branch. Please be sure to request the "Tax Return Transcript" and not the "Tax Account Transcript" when communicating with the IRS.

Please note that IRS data is available approximately two weeks after filing taxes electronically or eight weeks after mailing a paper return.
